**S & T Broadhooks 13th.
Grand champion female
1961 Indiana State Fair.
Sold for \$1300 to Illi-
nois Normal University
in the 1961 Mathers
sale. Sire: Leveldale
Caesar. Dam is S & T
Broadhooks 6th, one of
the cows we are selling
in this sale.**

Over the years we have expanded the herd by keeping the top heifers, and now, with more farming, too, I find the herd today is larger than I can handle. Therefore, we have selected about a dozen quality, good producing brood cows, and are also selling 13 heifers, nearly all of which we had originally scheduled for the herd. These are the kind that have been producing bulls and females for us that have won in the strongest competition there is.

After several visits to Georgia, and admiring the W. E. Giddens herd, we bought their Perth first prize winning sire, Bapton Upward Bound. To show everyone the kind this bull is siring we exhibited for Giddens a young son, Upward Bound 4th, at the Illinois State Fair where he was Junior Champion. He sells, as well as a promising group of half-brothers and many of our females sell bred to him.

We doubt if there is any community in the nation that has better Shorthorns than East Central Illinois. Try showing at some of our local fairs and see the competition. We have asked some of these good neighbors to join with us in this sale. They have all reached right into their best.

I sincerely believe this will be one of the strong offerings sold anywhere this Fall.

Malcolm B. Tucker

P.S. We hope many of you can arrive the afternoon and evening before to see the cattle at leisure. A buffet dinner will be served at our home in Chrisman, Wednesday evening and we hope you can join us.

**First prize Senior Get-of-Sire, 1962 Illinois State Fair.
Sire: Leveldale Pacemaker**

Les Mathers once described Malcolm Tucker as a "young man in a hurry". What he meant was that Malcolm was a hard working ambitious young breeder who didn't intend to spend years spinning his wheels before he bred good ones. I think Les must also have had Malcolm in mind when he said "our customers are our toughest competition".

Malcolm began his Shorthorn career, as have so many top breeders, through club work. Shorthorns are the number one interest of him and his young family . . . and they have all certainly done a great job. He is parting with some of his best. The herd is too large for Malcolm to handle and he does not want the herd to become so large that he cannot look after the vital jobs himself.

He has been fortunate in having four great breeding bulls in a row . . . and a quick look at sale time will convince you he has another in Bapton Upward Bound.

The cattle from the other herds are of the same high calibre. Bob Almy has sold in the previous Tucker sale and his cattle were taken quickly to strong herds. All of these breeders have high standards. This will be one of the good offerings of the year.

LEVELDALE PACEMAKER — A great show bull, winning 16 major championships in his three year show ring career. As a sire he can hardly be equalled in his siring of two International Grand Champion Bulls in three years. Also, the daughters have made a name for themselves in the breeding herds where they have gone. He has earned his reputation as a great bull.

Bapton Upward Bound. Photograph taken at Perth, 1959, where he was first in class and a member of the first prize three bull and five bull groups.

Bapton Upward Bound was first in his class at the great Perth Scotland show, 1959 and was a member of the winning Bapton groups. His dam, one of Kirkton Hercules best daughters, is a full sister to Bapton Control, a 3800 gns. bull exported to the Argentine. The Actress family is Bapton's best. Bapton Northward Bound, Royal Highland Champion, was the sire of the Best Group of Three Bulls, Perth, 1960, and needs no further comment. Fair Clipper 45th was the unbeaten female in Scotland, 1956.

There are eight of his first sons selling in this sale, one of which was the Junior Champion, 1963 Illinois State Fair. Typical of his get these sons have size for age, substance, great style and are great doers. There are a great group of yearling heifers at Giddens and we doubt if many, if any, will ever leave that herd.

Below, as he appears at Tucker Farms today.

LEVELDALE CAESAR — A bull that needs no introduction to Shorthorn breeders. Sensational winner as a calf, a yearling, and a two year old. Winner of 22 major championships. His breeding is a leading factor in this sale. We are selling and keeping excellent females of this bloodline. Few bulls equal his excellence in the show ring and as a sire.

S & T PACEMAKER 14th—The kind you don't expect to come along very often. He is very good in every respect. Probably the thickest, best boned and deepest bull we have ever sold. He is by Leveldale Pacemaker, sire of the 1960 and 1962 International supreme champions and his dam is the grand dam of the 1962 Illinois State Fair reserve champion female. This is a consistently top producing cow family. He was second place senior yearling bull at the Illinois State Fair under Melbourne's reserve grand champion and in 1962 was a member of the first place get of sire. This bull has the pedigree as well as the conformation and will stand close inspection.

S & T CAESAR 20th — Junior herd sire selling. One of the top sons of a great breeding bull, **Leveldale Caesar**. This son looks more like his sire than any of them. His dam was a good daughter of **Calrossie Valiant** from the **Rosebud** family which is most highly regarded in the **John Alexander** herd. We are selling this bull because of our cutting down in the number of cows. We are selling nearly all his first crop of calves because they are top steers and heifer prospects. The greater share of the cows we are retaining are bred to this bull and we plan to keep the heifer calves from this crop. Only due to our reduction in size of the herd has it made it possible for us to sell this good sire. His calves will speak for him sale day.

Here is a calf with nearly all the traits that a cow man is looking for in a stock bull. He has a great head, thickness, depth, plenty of bone, fleshing and a great set of legs. He won a very strong senior bull calf class and went on to be junior champion at the Illinois State Fair. This was the only time he was shown.

Grand champion bull at the 1963 spring Southeastern Regional sale, left, was Bozo, consigned by W. E. Giddens and sold at \$1,200 to Clinton Hufford, Augusta, Kas. Giddens consigned three bulls which won two firsts, a second and the grand championship.

CALROSSIE GUTHRIE — An imported in dam son of Calrossie Tradewind. His dam is from the Calrossie Flossy family. His granddam was Capt. John MacGillivray's favorite cow. Note: this is a line bred Banchory Orangeman bull. He has been used as our junior herd bull and also the University of Georgia has used him this summer. There are two bull calves selling in the sale that are top prospects. The only reason we are selling the bull is because we are using two other bulls of the same breeding. This bull will be selling in just good breeding condition.

20 BULLS

Among the best that will sell this fall

Included are the junior champion bull from the Illinois State Fair and seven half brothers . . . an imported bull from Calrossie and two of his first sons . . . prominent show winners from Illinois fairs and from the International . . . all consigned by these leading breeders: Malcolm B. Tucker and Son; W. E. Giddens; Robert L. Almy Jr.; Donald G. Pope, OK'D Farm.

are being sold in this sale by Malcolm Tucker & Son and by the other strong herds participating. Nearly all of these consignors have been showing this summer and fall. They have selected their best individuals for this sale.

There are 50 female lots. No single herd participating could spare this many at one time . . . but all ten, working together, each sending their best, have provided one of the strongest Short-horn offerings of 1963.

LEVELDALE RAPTURE

THE ALMY HERD . . .

Leveldale Rapture, Grand Champion Bull, 1958 Illinois, Indiana, Ohio and Kentucky State Fairs is the chief stock bull at Bambi Farms, where the Robert Almy family has been working hard at the job of breeding top Shorthorns and promoting them.

Bob Almy began with Shorthorns as a club project, built a strong herd with all the other members of the family taking an active role. This year Bob Jr. took the show herd to the following fairs: Illinois State Fair, Southern Illinois State Fair at DuQuoin; Newton, Martinsville, Paris, Charleston, Marshall, Pana, Salem, Vermilion County 4-H show and Georgetown.
